

## TABLE 1: REPORTING PRACTICE DATA IN ANNUAL REPORTS

The table lists information provided by States Parties in publicly available 2017 Annual Reports submitted prior to 1 February 2019. The information is separated into six thematic sections representing different kinds of relevant information reported by States Parties in their Annual Reports. State responses are denoted by check marks (✓), X's, and dashes. Check marks represent "yes" responses, X's represent "no" responses, and dashes represent when a State did not provide a response to a given question. Plus signs (+) in the table represent special situations. Information reflects what states self-reported and was not independently verified. The list of states represents those who actually submitted a 2017 Annual Report by 1 February 2019, and not those due to submit.
