Was data withheld for 'commercial sensitivity/national security-related' reasons?	Yes
What type of report was submitted?	Online ATT reporting tool

Good practices:

Argentina provided descriptions of imports of major conventional weapons and comments describing the end-use and/or end-user.

Argentina reported imports under the small arms 'Others' sub-category and clarified in descriptions that it reported shotguns.

Argentina submitted a publicly available 2018 report after keeping its 2017 report confidential.

Room for improvement:

Argentina provided no descriptions of exports or imports of small arms other than the shotguns that were reported as 'Other' small arms imports.

Argentina excluded some data for 'commercial sensitivity/national security-related' reasons and did not specify where or how much information was withheld.
