Was the Annual Report made public?	Yes
Was a 'nil' report submitted for exports or imports in 2018?	Unspecified - Not ticked
Was data withheld for 'commercial sensitivity/national security-related' reasons?	No
What type of report was submitted?	ATT reporting template

### Good practices:

Montenegro provided clear, disaggregated information on its reported exports and imports in 2018, after it did not for all transfers in its 2017 report.

Montenegro provided descriptions and comments describing the end-use and/or end-user for most of its reported exports and imports.

Montenegro provided both Numbers and Values for all reported exports and imports.

### Room for improvement:

Montenegro did not tick the relevant boxes on the front page of its report to indicate it was not submitting 'nil' reports for exports and imports.
