Good practices:

Netherlands provided clear, disaggregated information for most of its reported exports and imports.

Netherlands provided descriptions for all exports of major conventional weapons and comments for all imports of major conventional weapons.

Room for improvement:

Netherlands provided only some descriptions of SALW exports and imports. It did not provide comments on any SALW exports and imports.

Netherlands did not indicate whether or not reported imports of rifles and carbines were Actual or Authorized transfers.

Netherlands did not provide a cut-off date for its report.
