Good practices:

Slovakia provided clear, disaggregated data for each reported export and import.

Slovakia provided detailed descriptions of major conventional weapons exports and imports. In some cases, it also provided comments describing the end-use and/or end-user.

Slovakia specified the cut-off date for its report.

Room for improvement:

Slovakia provided very few descriptions and comments describing the end-use and/or end-user on reported exports and imports of SALW.

Transfer summary - 2018: Export Data
