Good practices:

Slovenia provided clear, disaggregated data for each reported import and export in 2018 including both Numbers and Values of items transferred.

Slovenia provided descriptions of almost all reported exports and imports, as well as selective comments on transfers.

Room for improvement:

Slovenia only provided comments describing the end-use and/or end-user on a small number of transfers.

Slovenia did not specify which currency is used to report the values of its exports and imports.
