

PANAMA

Was an Annual Report submitted by 31 May 2018?	Yes
Was the Annual Report made public?	Yes
Was a 'nil' report submitted for exports or imports in 2017?	Yes (for exports)
Was data withheld for 'commercial sensitivity/national security-related' reasons?	No

Good practices:

Panama made its 2017 Annual Report publicly available.

Room for improvement:

Panama did not provide a definition for the terms 'export', by not ticking any relevant boxes, or 'import', by selecting 'no' for all elements of the definition without providing additional clarification.

Panama did not provide any information regarding the exporting states in its reported imports.

Transfer summary - 2017: Export Data

- Panama submitted a 'nil' exports report in 2017.

Reporting practice summary - 2017

Panama made its 2017 report publicly available, after keeping its 2016 report confidential.

Panama submitted a 'nil' exports report for exports in 2017.

Panama did not report any imports of major conventional weapons. It reported **Authorized Numbers** of small arms imports.

Transfer summary - 2017: Import Data

- Panama reported the import of 78 revolvers and self-loading pistols in 2017. No information was provided regarding the source of these items.
