REPORTING PRACTICE SUMMARY - 2020

New Zealand's reporting remained the same in its 2020 report.

New Zealand continued to report **Authorized Numbers** of small arms exports and exports of shotguns under voluntary national categories. It did not report exports of major conventional weapons or light weapons.

New Zealand continued to report **Authorized Numbers** of SALW imports and imports of shotguns under voluntary national categories. It did not report imports of major conventional weapons.

**GOOD PRACTICES**

New Zealand provided clear, disaggregated data for each reported export and import.

New Zealand reported exports and imports under voluntary national categories, and provided extensive information in Annex 2 to clarify specific national definitions of Category VIII weapons (SALW) and of its voluntary national categories.

New Zealand indicated clearly that there were no reported exports or imports in specific weapons categories and sub-categories rather than leaving relevant sections of the reporting template blank.
