Spain’s reporting changed in its 2020 annual report.

Spain continued to report Actual Numbers of major conventional weapons exports. It reported a mix of Actual and Authorized Numbers of SALW exports, after not reporting exports of light weapons in its 2019 report.

Spain reported Actual Numbers of major conventional weapons imports. It reported both Actual and Authorized Numbers of SALW imports in two instances and Authorized Numbers for other SALW imports. It did not report SALW imports in its 2019 report.
Spain provided clear, disaggregated data for all reported exports and imports.

Spain did not indicate by ticking the relevant box whether it had excluded some data for 'commercial sensitivity/national security-related' reasons.

Spain could provide descriptions and comments describing the nature of its exports and imports.

- Spain reported exports to seven countries. Of these, four were ATT States Parties and three were non-members (Cuba, Pakistan and Saudi Arabia).
- Spain reported the export of 23 major conventional weapons items, all of which were armoured combat vehicles to the United Kingdom.
- Spain reported the export of 2,864 SALW items, covering five sub-categories. Of these, the majority were hand-held under-barrel and mounted grenade launchers (59.1 per cent), sub-machine guns (34.4 per cent) and mortars of calibre less than 75mm (6.4 per cent).
- In terms of numbers, the main importers of SALW from Spain were Estonia (52.4 per cent), Uruguay (35.4 per cent) and Pakistan (6.7 per cent).

- Spain reported imports from six countries. Of these, five were ATT States Parties and one was a Signatory.
- Spain reported imports of 50 major conventional weapons items, all of which were missiles and missile launchers (MANPADS) from the United Kingdom.
- Spain reported the import of 21 SALW items, covering six sub-categories. Of these, the majority were rifles and carbines (57.1 per cent), revolvers and self-loading pistols (19.1 per cent) and assault rifles (9.5 per cent).
- In terms of numbers, the main importers of SALW from Spain were the United States (57.1 per cent), Belgium (19.1 per cent) and Switzerland (14.3 per cent).
