REPORTING PRACTICE SUMMARY - 2022

Bosnia and Herzegovina continued to provide **Numbers** and **Values** for exports and imports of major conventional weapons and SALW.

**GOOD PRACTICES**

Bosnia and Herzegovina provided both numbers and values of all reported exports and imports.

Bosnia and Herzegovina provided disaggregated information on SALW imports and exports, both in terms of numbers and values.

Bosnia and Herzegovina provided descriptions of all items exported and imported.

**ROOM FOR IMPROVEMENT**

Bosnia and Herzegovina excluded some data for 'commercial sensitivity/ national security-related' reasons but did not specify where or how much information was withheld.

Bosnia and Herzegovina could provide comments describing the nature of its reported exports and imports.

Bosnia and Herzegovina did not specify whether it was reporting Authorized or Actual exports or imports.

Bosnia and Herzegovina could indicate clearly that there were no reported exports or imports in specific weapons categories and sub-categories rather than leaving relevant sections of the reporting template blank.

**TRANSFER SUMMARY - 2022: EXPORT DATA**

- Bosnia and Herzegovina reported exports to 11 countries. Of these, seven were ATT States Parties, one was a Signatory and three were non-members (Ethiopia, Indonesia and Pakistan).
- Bosnia and Herzegovina reported the export of 214 major conventional weapons, covering two categories, with a total value of €3.6m (US\$3.9m).¹
- In terms of value, these were armoured combat vehicles (62.9 per cent) and large-calibre artillery systems (37.1 per cent).
- In terms of value, the main importers of major conventional weapons from Bosnia and Herzegovina were Ethiopia (62.9 per cent) and Hungary (37.1 per cent).
- Bosnia and Herzegovina reported the export of 3,127 SALW items with a total value of €2.2m (US\$2.3m)², covering four sub-categories.
- In terms of value, the majority were hand-held under barrel and mounted grenades (33.9 per cent), rifles and carbines (33.9 per cent) and revolvers and self-loading pistols (26.2 per cent).
- In terms of value, the main importers of SALW from Bosnia and Herzegovina were the Czech Republic (35 per cent), Pakistan (32.4 per cent) and United States (25.5 per cent).

**TRANSFER SUMMARY - 2022: IMPORT DATA**

- Bosnia and Herzegovina reported imports from 13 countries. Of these, eleven were ATT States Parties and two were Signatories.
- Bosnia and Herzegovina did not report imports of major conventional weapons.
- Bosnia and Herzegovina reported the import of 7,921 SALW items with a total value of €2.7m (US\$2.9 m)³, covering four sub-categories. In terms of value, these were mostly revolvers and self-loading pistols (92.6 per cent), assault rifles (5.9 per cent) and rifles and carbines (1.3 per cent).
- In terms of value, the main exporters of SALW to Bosnia and Herzegovina were Slovakia (27.7 per cent), Croatia (22 per cent) and Czech Republic (15.2 per cent).
