REPORTING PRACTICE SUMMARY - 2022

Norway continued to report **Actual Numbers** of small arms exports.

Norway continued to report **Actual Numbers** of imports of major conventional weapons and of small arms and light weapons.

**GOOD PRACTICES**

Norway provided descriptions for all its imports.

**ROOM FOR IMPROVEMENT**

Norway excluded some data for 'commercial sensitivity/national security-related' reasons but did not specify where or how much information was withheld.

Norway could provide more descriptions and comments on its reported exports and imports.

Norway could indicate clearly that there were no reported exports or imports in specific weapons categories and sub-categories rather than leaving relevant sections of the reporting template blank.

Norway did not report the final exporting states for its reported imports of major conventional weapons and SALW.

**TRANSFER SUMMARY - 2022: EXPORT DATA**

- Norway reported exports to 11 countries in 2022. Of these, ten were ATT States Parties and one was a Signatory.
- Norway did not report exports of major conventional weapons in its 2022 annual report.
- Norway reported the export of 2,955 small arms covering two sub-categories. These were revolvers and self-loading pistols (74.5 per cent) and rifles and carbines (25.5 per cent).
- The main importers of small arms from Norway were Estonia (65.9 per cent), United States (28.7 per cent) and Denmark (1.1 per cent).

**TRANSFER SUMMARY - 2022: IMPORT DATA**

- Norway reported imports from two countries in 2022. One was a State Party and the other was a Signatory.
- Norway reported the import of eight major conventional weapons items, covering two categories.
- In terms of numbers, these were armoured combat vehicles (62.5 per cent) and manned combat aircraft (37.5 per cent).
- Norway reported the import of 13,042 SALW items, covering six sub-categories. Of these, the majority were revolvers and self-loading pistols (79.7 per cent), assault rifles (16.9 per cent) and light machine guns (2.5 per cent).
- In terms of numbers, the final exporting states reported were the United States (0.5 per cent) and Sweden (0.4 per cent). Norway did not report the final exporting state for 99.1 per cent of its reported imports.
