REPORTING PRACTICE SUMMARY - 2022

Slovakia continued to report **Actual Numbers** of major conventional weapons and SALW exports.

Slovakia continued to report **Actual Numbers** of major conventional weapons and SALW imports.

**GOOD PRACTICES**

Slovakia provided clear, disaggregated data for each reported export and import.

Slovakia provided descriptions and some comments describing the nature of most of its major conventional weapons exports and imports, as well as for some SALW exports and imports.

Slovakia indicated clearly that there were no reported exports or imports in specific weapons categories and sub-categories.

**ROOM FOR IMPROVEMENT**

Slovakia excluded some data for 'commercial sensitivity/national security-related' reasons but did not specify where or how much information was withheld.

Slovakia could provide more descriptions and comments describing the nature of some of its small arms exports and imports.
