REPORTING PRACTICE SUMMARY - 2022

Spain's reporting changed slightly in 2022.

Spain continued to report **Actual Numbers** of major conventional weapons and small arms exports. It reported **Actual Numbers** of light weapons exports.

Spain did not report imports of major conventional weapons and light weapons. It continued to report **Actual Numbers** of small arms imports.

**GOOD PRACTICES**

Spain provided descriptions for all of its exports and imports.

Spain provided disaggregated numbers for its small arms exports and imports, both by weapon type and by importing/exporting state.

**ROOM FOR IMPROVEMENT**

Spain did not specify whether any information was withheld for 'commercial sensitivity/national security-related' reasons.

Spain could provide comments describing the nature of its reported exports and imports.

Spain could indicate clearly that there were no reported exports or imports in specific weapons categories and sub-categories rather than leaving relevant sections of the reporting template blank.
